Bertha Garza at Harrison Hall

Community Presbyterian Church,
43410 Sierra Drive

Bertha Garza literally had a dream one night about creating a natural product that would help protect and enhance all types of skin, especially maturing skin. She created a body lotion that was enriched with the healthiest oils and vitamins, thus creating the name: DAZZLING DREAMS NATURAL PRODUCTS. She has added (liquid and solid) bath soaps made with the finest natural oils. Natural and biodegradable laundry soap, natural dish washing soap, and other products have followed. Now Bertha is including unique and creative rock art in her repertoire.
