SUSAN ARDESCH

at Blue Heron Studio

Susan Ardesch grew up on a cattle ranch in the mountain community of Lake Isabella. Much of her work was inspired by this beautiful and sometimes harsh natural environment. She was also strongly influenced by her mother who was an artist.

Ms. Ardesch holds a Master Degree from Cal State University Fresno and has taught art for over twenty years.

Now retired with her husband, David Wind, at their home along the North Fork of the Kaweah River, Susan spends much of her time in the studio experimenting with new combinations of color and translucent textures. Her most recent works are acrylic and mixed media in both 2D and 3D.

Meet Susan and see her work at Blue Heron Studio,
